The following sections contain general league rules in addition to division-specific rules for play within Lake Norman Little League. These Local Rules apply for all intraleague games. Divisions participating in a district schedule shall abide by the Local Rules defined by the district. These Local Rules are NOT meant to replace, or override, any Little League International regulations, rules, or policies.

6.1 General League Rules

6.1.1 Field Reservations / Permits

Field reservations or permits provide the league with priority use of town facilities over other groups within the prescribed dates and times. League sanctioned activities generally include:

- Skills evaluations
- Coach and player clinics
- Team practices and scrimmages
- Regular and post-season tournament games
- All-Star tournament team practices and games
- Any other activity approved in advance by the Board of Directors.

6.1.2 Number of Players

All Baseball and Softball teams must field a minimum of nine defensive players each inning. In the Minor League divisions, teams may field four outfielders for a maximum of ten defensive players each inning. Any team that has only eight players available may borrow one defensive player from the opponent each inning to field nine. The borrowed defender must be the opponent's last batter in the order for that given inning and must occupy an outfield position. No out shall be recorded for the missing ninth batter when the team of eight players is batting.

If any Baseball or Softball team has less than eight players available for a scheduled regular season game, the Team Manager must notify the Division Commissioner and the opposing Team Manager at least 24 hours in advance to reschedule the game for another date. If the Team Manager fails to make this notification 24 hours in advance or arrives at the game with less than eight players, the game shall be forfeited. **End of season tournament games are not eligible to be rescheduled.**

6.1.3 Umpires

In Tee Ball, coaches shall act as umpires and always maintain control of the game. All Baseball and Softball games are assigned paid or volunteer umpires.

Infield practice must be completed five minutes before game time with each team allowed ten minutes of infield practice (visitors practice first).

6.1.6 Game Start Times

Weeknight games typically start between 6:00 pm to 8:00 pm. The starting time for weekend games shall be decided by the Board of Directors when the schedule is adopted each season. The

umpire announces the game start time prior to the first at bat and is the official timekeeper. The official scorekeeper notes the game start time in the scorebook. In the case of game stoppage for any reason, the game clock is not stopped.

6.1.7 Start of a New Inning

A new inning shall be considered underway immediately upon the last out or last batter of the previous inning. Once an inning is started it will be played to completion. A new inning shall not be started after the time limit has expired, except in the event of a tie. If a regulation game is tied and the time limit has not been reached, extra innings are played. If a game in extra innings is still tied after the time limit expires, one additional inning is played. If no winner is determined, then the game is final and recorded as a tie.

6.1.8 Weather Cancellations

A league representative will notify Team Managers at least 30 minutes prior to game time of a cancellation due to weather. Cancellations due to weather within 30 minutes of game time shall be called at the field of play. Cancelled games will be rescheduled for the earliest available date. During all league sanctioned activities, coaches shall abide by the Lightning Policy and Procedures found in the appendix.

6.1.9 Home Team Responsibilities

The home team must provide field equipment (i.e., batting Tee, pitching machine, game balls) for use by both teams during the game. In addition, the Team Manager in all divisions above Tee Ball must provide an official scorekeeper to maintain the official game record, and a scoreboard operator if field is equipped with a scoreboard. At the conclusion of the game, Team Managers must submit the final game score and pitching records to the Division Commissioner.

All participants are responsible for cleaning up trash from the field, dugouts and bleacher areas after each game.

Otherwise, coaches are not allowed in fair territory, nor allowed to engage umpires until the play is dead and time is called by the umpire. Parents and spectators are not allowed in the dugouts or on the field at any time unless invited to help prepare the field for play or to help an injured player. All parents and spectators are asked to remain outside the ball field fences and not sit or stand behind the back stop or behind the dugout fences.
